I Applied for Compassionate Release after filing hear at USP Tucson with the Eight Circuit Federal Court. The Court then compelled the BOP to send a Response. The BOP Responded with a fictitious Response with fake statements from my psychology Reports. The Report said I shouldn't be Released, because I told psychology doctors other things "I just a sexual Person and my charges are no big deal". The BOP went further to state that my Recidivism Rate was high. The Court then took these Comments into consideration and denied me Compassionate Release. Further more these malicious and fictitious Comments then became public Records. After trying to Exhaust my Administrative Remedies and have the lies Removed from my files and a correct Response given to the Court, Case Manager Mrs. Stangl Threatened me with disciplinary actions, which violate my due process and Rights to the Court. I have every Email to the Warden, to Mrs. Stangl me being very very pacific of my complaint, but instead of trying to uncover the faults she sent Mr. Tate to tell me that if I attempt to pursue any Remedies I could be written up.
